Bulletin.pdf

Pat, attached please find a copy of the Technical Bulletin and Owner letter that MMNA plans to use for recall 03V442 (MMNA Number SR-03-003), 2004 Eclipse and Eclipse Spyder and 2003 Galant Fuel Pump Return Restriction.

The first and last VIN's are: 2003 Galant, Eclipse and Eclipse Spyder  
3E201989 - 3E218774

2004 Eclipse and Eclipse Spyder (the 2004  
Galant is not involved) 4E027900 - 4E041597

We will follow this schedule for the launching of this campaign:

Parts will be available in our PDC on or about December 5, 2003, we will not do a force allocation of parts for this campaign due to the small number of vehicles expected to have restricted pumps. Owners of vehicles that are found to have restricted fuel pumps will be placed in a rental vehicle free of charge until a replacement pump is installed in their vehicle.

The dealers will be notified and the TSB made available to them on Dec. 8, 2003

The customer mailing will be on or about December 15, 2003

All customers will be notified on the same date, there will not be staggered mailing

If you have any questions or changes or need additional information, please let me know.

Have a happy Thanksgiving and Best Regards! Kent Reeves
